

September Activity Soap Making Workshop September 10, 2025

Nearly 40 photos of this activity were shared among the participants after returning from the soap making workshop, 30 of which included the dwarf goats. Only two included photos of the soap making experience itself.

The photos containing the adorable goats will be sprinkled on to the following pages.

Happy Goats, Happy Skin

This is Maple, part of the Hollow Oak Nigerian Dwarf herd who help provide the soaps, scrubs, and lotions for the farm.
